SUBJ: Compliance Recognition and RISSprop Electronic Reporting

Dear Mr. Fonseca,

On behalf of the Ottawa County Sheriff's Office, I am writing to formally acknowledge that KB Gold Jewelry LLC is currently in full compliance with the State of Michigan's reporting requirements for second-hand dealers and pawnbrokers.

We would like to extend our sincere gratitude to you for your willingness to serve as our first Ottawa County test business for our new electronic reporting system, RISSprop. Transitioning to a new digital process requires time and adaptability, and your cooperation has been instrumental in helping us refine this system for the entire county.

Your partnership ensures a more efficient workflow for law enforcement and local businesses alike, ultimately contributing to a safer community. We appreciate your professionalism and your commitment to maintaining high standards of business conduct in Holland.

If you have any questions or require further assistance regarding the reporting process, please do not hesitate to contact our office.

Sincerely,

Sheriff Eric DeBoer
